What's Happening?

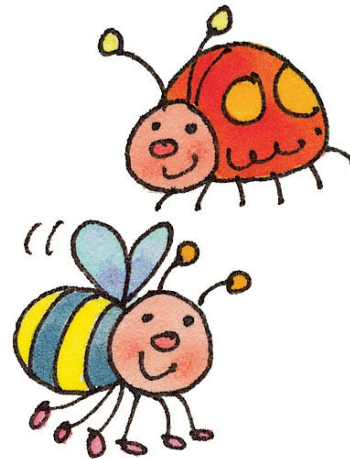

As we close out the school year, there is a lot to be excited about! First, we had a great year. We tried some new things, had lots of fun, and learned much. I feel so blessed to have worked with and gotten to know your children over this last year. I am also grateful to all the volunteers that made our Sunday School such a success all year.

Next, I want to mention that our Vacation Bible School is coming in August and everyone should mark their calendars as it is going to be really wonderful! It will run August 15-19th from 5:30-8:00pm. Supper will be served from 5:30-

6:00pm. We are using a program called "Galactic Blast" and it really will be a blast! Watch your mail and e-mail for more details about this.

Finally, there are going to be some new things happening in the fall. We will no longer be using the workshop rotation curriculum in our Sunday School. We will be working with a wonderful program called "Seasons of the Spirit". The Children and Youth Ministry Support Team met and reviewed several options and we feel confident that this is going to be the best fit for our children. Please be sure to read my overview of the program

located in this month's Bell. I am very excited to begin this program here, and would love to answer any questions you may have. I will also be writing more about it as we move forward.
